

Our History

Ambassadors to the Nations is an International missions ministry based out of Freedom Christian Center, Inc., of Charlotte, N.C. Founded by Pastors Darey & Karen Jolley in 1992, it has faithfully served the cause of Christ in Central America, North America, and Africa through short term mission projects. Led by their pastor, Dr Dean Melton, they have worked in 9 different nations. Video Bible Colleges have been established in Mexico and Nicaragua and the ministry founded and operates 3 pre-school / kindergarten programs and a 1st - 12th grade school in Nicaragua. Churches, medical clinics and community stores have also been established in several nations.

Monthly Support

"Sharing His Love.
 Around the World"

Where your support goes...

100% of your support goes directly to the Nations!

For the children that attend our schools the \$10.00 per month sponsorship money is used to pay the teachers, buy supplies (books, pencils, etc.) and feed the children a hot meal while at the school. For most of the children, the hot meal they receive at school is the only one they receive that day.

The individual families or pastors that receive sponsorship on a monthly basis use the money to buy food, clothes, water, pay for private school and medical needs.

**"Making a difference...
one child at a time!!!"**

From The Directors

We want to thank you for your desire to help in our sponsorship program. The vision that the Lord has put in our hearts is far too great for us to accomplish without your help!!

We have a call and a purpose that burns in our hearts. Together we can see needs met for our church family in the Nations. Our heart's cry is to provide a solid education to the children both academically and spiritually. Your support makes this possible. Please remember that little becomes much when placed in the Master's hands.

Sharing His Love,

Pastors Darey & Karen
